Objectives: The main objective of the course is to bridge the gap between subjects studied at Pre-university level and subjects they would be studying in Graduation.

Outcomes: It gives ample time to the students to study the fundamentals of the course and helps out a smooth shift from the prior course to the existing course. The aim of the bridge course is to promote the lesser adeptness level of the student to a superior aptitude stature.

Methodology::

*Coaching, tutoring and Individual attention.

*Identifying the slow, moderate and advanced learners by conducting slip tests during the Bridge course.
