### Strategic/Perspective Plan for the Academic Year 2023-2024

**GOAL :** To Provide a quality education to the students and acquire the stature as one of the best Degree Colleges of the state.

#### Action Points:

- Adopting Outcome Based Education system.
- Follow the syllabus prescribed by APSCHE and Krishna University.
- Encouraging faculty to attend and organize more number of FDP/ conferences/workshops.
- Using ICT based techniques teaching learning process.
- Lectures by Industry experts in selected courses.
- Mentoring system for the students, emphasis on slow learners.
- Encouraging faculty to pursue MOOC programs for better teaching learning.
- Motivating faculty to adopt interactive learning pedagogy .
- Inculcating lifelong learning skills by introducing self-learning components in the form of seminars, MOOCs, NPTEL training programs.
- Establishing Digital Library in the campus for the benefit of all the students to refer national and international journals and other E-learning resources (with the assistance of funds from the Government).
- Incorporating project based learning.
- Training programs for skill enhancement.
- Industrial Internship.
- To develop ethical and ecological values in the students.
- Establishing MOUs with industries.
- Faculty members are encouraged to send research proposal to various funding agencies for

financial support.

- Encouraging students to participate in national and international conferences to present and publish papers.
- Innovative ideas of students are encouraged to be translated into commercial products for the benefit of society by funding the student's projects funding agencies.
- Encouraging the students to participate national level Competitions.
- Promoting consultancy services in each department.
- Decentralization in working.
- Well defined transparent governance system.
- Grievance redressal mechanism.
- Weaker students are identified subject wise and wherever it is necessary separate remedial coaching classes are conducted.
- Having more MOUs with various industries for student internship and placements.
- Utilizing the services of Training and Placement Cell (JKC) to interact with the industry to enhance the placement of students and give career guidance to the students .
- Establishment of an Entrepreneur Development Cell which will act as focal point for its interaction with society and industry to satisfy the needs of the students.
- Encouraging faculty and students to maintain green campus.
- To review the smooth running of the administrative activities of the college.
- To review the examination results (Internal as well as External) of all programs; result analysis and their improvement strategies.
- Establishing fair and effective performance appraisal system.

All the above Plans are discussed in the staff meeting at the beginning of the Academic year and implemented by constituting various Academic committees.
