DEPARTMENT OF PHYSICAL EDUCATION

PROFILE

History of the Department

As Vivekananda said “youth with iron muscles will be required for our country”. Keeping this in mind, our site donors donate 4.72 acers of land for establish of college along with sporting facilities in the year 1984. From the insertion of the college there is a sanction post in the department with a Vision & Mission.

In our college many students who have shown their talent in sports and games are getting jobs in different fields. Though ours is a backward rural area and we face many difficulties, our students got trained in various sports in our college have got good recognition and got medals at university, state and national levels.

OUR COLLEGE PHYSICAL EDUCATION

The Department of our College, deeply believes in the implementation of the saying “A sound mind is a Sound Body”. Since its inception Our College, has always given Games and sports utmost importance while planning a comprehensive programme of physical education for boys and girls in the campus.

Play Ground Facilities Available

- Our College, has a sprawling playground. We have two volley ball courts, one ball badminton courts, one kabaddi courts, one Badminton court and one in the playground.
- There is a 400 mts track for athletic track. Discuss throw, javelin throw, shot put, can be practiced by the students in playground. We also have cricket pitch for practice.
- Indoor Facilities: Chess, Caroms. We have Chess boards, two carom boards and also acquired the 12 station multy GYM, Bench press, dumbbells, exercise bicycle weight lifting equipment for the benefit our students,

Games & Sports Committee:

Every year a committee is formed namely “games & sports committee” with Nine members, The principal, physical director, two lectures and five students (Both Boys& Girls) in that committee.

Vision

- To motivate the students to enter into the playground for physical fitness.
- To offer additional training for the enrichment of the outstanding sports persons.
- To motivate students and staff to achieve all-round development through the utilization of the facilities in the department.
- To work collaboratively and strive to support the mission through our commitment for outstanding teaching, service and professional development.
- The Department wishes to create more facilities for existing courts.
- The Department wishes to have a sports pavilion in tune with the changing needs of the times.
- To promote leadership, teamwork, community services, values, diversity and lifelong learning.
-

Mission

- The Mission of the Department of Physical Education is to provide Physical Education and Recreation with emphases on sports Training Physical Exercises and Outdoor and Indoor Recreation.
