## 1. Administration:

**e-office:** College office proceedings regarding administration are corresponded by e-communication only with the support of digitalized office. By the direction of special CCE and District collector e-office was commenced.

Functionalities include

- Creation of e-files with enclosures attached by uploading
- Share, Modify, Provide Remarks, Edit the e-Office files.
- Track the files with ease.

**Biometric attendance system:** Staff members use biometric attendance to mark their attendance to the campus this attendance record also helps us to generate leave records.

**FRAMS (Facial Recognition Attendance Management System):** The Government of Andhra Pradesh has come up with a ‘Facial Recognition ‘based software solution for the Management of Attendance in Govt. organizations, namely “Facial Recognition Attendance Management System (FRAMS)”. The FRAMS is used to Manage / Monitor the attendance of all the Staff and Students of the Government Colleges in Andhra Pradesh under the aegis of the CCE.

**e-CEGRaM** : It is decided to promote the "Collegiate Education Grievance Redressal and Monitoring (e-CEGRaM)" Application to reach to a greater number of users in all the Government Degree Colleges across the State and to register their grievances through the web and to ensure grievance in an efficient way.

**G-MAPP (Grievance Redressal Management App)**

The **Grievance Redressal Management App** facilitates easy submission of grievances to CCE enabling quick and transparent redressal mechanism with assured follow up. No grievance is left unredressed with this app. Staff & Students can file grievances with ease of a click & hope of assured redressal.

**F-Map:** The online fees payment software sends auto-generated pending fees-related reminders & notifications to parents every month or at a pre-defined time. Also, the fees software generates an e-receipt after every successful transaction & sends it to their registered email ID or mobile.

## Academic Related

**Online teaching learning process (OTLP) monitoring system:** For the implementation of online teaching learning process, an android application is developed by CCE, government of Andhra Pradesh using the application ,the faculty can post the attendance of classes regularly as per time table of the college. The application helps to maintain accountability and credibility of the lecturers towards teaching learning process.
