7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Handful of Rice

The initiative taken by VSR Government Degree & PG College in Movva to collect rice from students and staff and then donate it to Mamata Old Age Home in Gudivada exemplifies a socially responsible and community-oriented approach.

Rice Collection: The college organizes a campaign to collect rice from its students and staff. This could be done through voluntary contributions, where individuals willingly donate a handful of rice as a gesture of goodwill.

Purposeful Donation: After the rice collection phase, the accumulated rice is then directed towards a meaningful cause – in this case, **Mamata Old Age Home in Gudivada**. This purposeful donation demonstrates a commitment to supporting vulnerable members of the community, particularly the elderly residing in the old age home.

Community Engagement: The initiative fosters a sense of community engagement and unity within the college. By coming together to contribute to a common cause, students and staff develop a shared commitment to making a positive impact on society.

Social Responsibility: The act of collecting and donating rice reflects the college's awareness of its social responsibility. It sends a message that the institution is not only focused on academic pursuits but also actively seeks ways to contribute to the welfare of the broader community.

Empathy and Compassion: Engaging in such activities encourages empathy and compassion among the college community. It helps individuals recognize the needs of others and instills a sense of responsibility to contribute to the well-being of those less fortunate.

Building a Tradition: Initiatives like these can become a tradition within the college, encouraging future batches of students and staff to continue this meaningful practice. This creates a lasting impact and reinforces the college's commitment to social service.

Positive Public Relations: Such community service initiatives also contribute to positive public relations for the college. It showcases the institution as one that cares about its community and actively works towards making a positive difference.

Overall, this initiative reflects a holistic approach to education, emphasizing not only academic excellence but also the importance of social responsibility and community service. It sets a positive example for other educational institutions and demonstrates the collective power of small acts of kindness.

Adult Literacy

We conducted Adult Literacy Programme as a part of National Education Day being observed on the occasion of the birth Anniversary of Maulana abul kalam Azad , the first Education Minister, Independent India . In this Programme we distributed 20 Slates & Piece of Chalks to the 20 illiterate aged persons at ST Colony, Movva , Movva mandal , Krishna Dt, Andhra pradesh.

The Aim of the programme is each one teach one and to curb the thumb impressions. Thumb impressions are the stigma of the nation. Our college B.A Students are also involved in this programme. It is a best practice of the Dept of History.

Capt R.Venkaiah Head, Dept of History Interacted with the illiterates and explained the importance of the Adult Education. This is the need of the hour. And further advised the people to learn atleast to learn to put their signatures instead of thumb impressions.

In this programme Sri G.Suresh babu, Dept of Economics Dr M.Sundara rao, Dept of Political science, K.Rama devi, K.Sireesha, the Ward volunteers also participated in this programme.

Dr S.Madhavi Principal of the college and Sri Sudha Praveen Mandal parishat development officer appreciated the programme.
