VISION:

- To be acknowledged as a reputed institution at local University and state level whose academic, ethical and cultural dimensions of students' education and contribution to the community consistently meet the standards of excellence and global challenges.
- To offer relevant / need based courses from time to time, to promote interaction with industry, to develop critical thinking among students.

MISSION:

- ❖ To promote holistic development of students by offering quality education and to prepare them to embrace the challenges of changes that new technology brings in the process of globalization.
- ❖ To empower all the students to lead productive lives and become contributing members of the community by applying their acquired knowledge and skills.

OBJECTIVES:

- ✓ To promote higher education in the field of Commerce, Science and Arts.
- ✓ The college has been starting need based courses from time to time.
- ✓ To provide educational guidance and training to the students towards empowering them with knowledge, skills, values, imagination and creativity.
- ✓ To train the students in a variety of other skills required for their career and life.
- ✓ To prepare the youth for the changing times.
- ✓ To inculcate a value system and healthy culture in the students for preparing them into better citizens.
- ✓ To include benefits of education by undergoing constructive changes.
- ✓ To enhance the quality of teaching-learning process through continuous assessment and use of ICT.
- ✓ To make the students self-reliant, confident, imaginative, creative and compassionate.
- ✓ To expose the students to global concepts and modern technologies.

Dr. S. Madhavi

M.Sc., B.Ed., Ph.D.

Principal

"Education should be imported with a view to the type of society we wish to build. The main function of a University / College is not to grant degrees or diplomas, but to develop the University spirit and advance learning. The former is impossible without corporate life, the latter without honors and post graduate"

COLLEGE PROFILE:

V.S.R. Government Degree & P.G. College was established in 1984. This College has been established in order to cater to the educational needs of the rural students from the surrounding villages of Movva Mandal. The land of the college has been donated by the Local Philanthropists. The motto of the College is to focus on the objectives of education to the students from the rural communities, thereby imparting skills of employability to meet the job opportunities and to mould themselves as the responsible citizens of India. The College has been offering 11 UG and 4PG Programmes.

The College is covered under 2f and 12 B of UGC Act 1956 and getting general development grants since 1992. At present the College is affiliated to Krishna University, Machilipatnam.

THE VISION OF THE COLLEGE:

To contribute to the advancement of knowledge through teaching, research, publications and dissemination and to train students to acquire good communication skills and leadership qualities so as to mould them to be global citizens.

The College has been offering relevant, need based courses from time to time. The College went for first accreditation in 2004 and was awarded "B" Grade and Second accreditation in 2011 and was awarded "B" Grade with 2.56 CGPA and third accreditation in 2017 and was awarded "A" grade with 3.01 CGPA.

Admission Campaign at Govt. Junior College, Movva

In accordance to the CCE orders to increase the students' enrolment in Government Degree Colleges, we organized a student rally to the Junior Colleges along with the teaching staff on 15 February 2023, and we distributed pamphlets to explain the available courses, infrastructure facilities, training and placement drives conducted, students/faculty achievements to orient the final year junior college students. In continuation, we invited the students and faculty of junior Colleges to visit Government Degree College on 'Open Day' i.e., on 17-02-2023, to acquaint themselves with facilities available at GDCs.

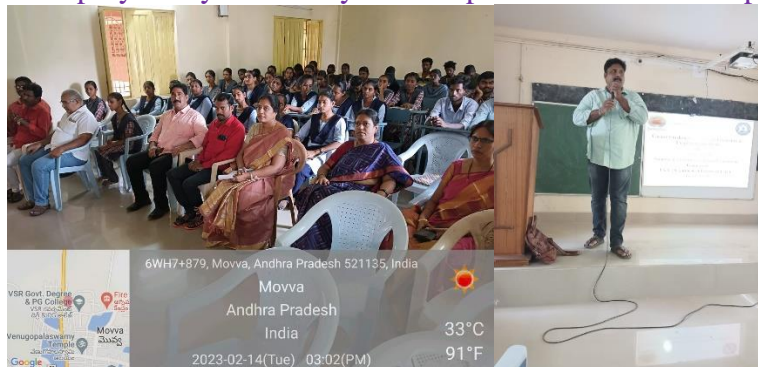

On the 'Open- Day' i.e., on 17-02-2023 we facilitated the following for the junior College students and faculty:

- To visit the College Library and laboratories.
- To visit JKC centre and Computer Labs .
- To visit departments and interaction with faculty and students.
- To conduct practical sessions/ hands on job experience in laboratories which will be useful for inter practical exams.
- Science exhibitions /poster presentations and Finally collected feedback from the students on their choice of courses.

Career Guidance Activity

The Department of English in association with College JKC organized a “Career Guidance Activity” related to “Internships and employability skills” at 2.30 PM on 14-02-2023 by Sri. B. Naveen, Founder and Chariman of Anjana Foundation. It was a very enriching session which helped the students to know about the current internships and employability skills they need to produce for future employment.

Guest lecture by the Department of English

The Department of English organised a Guest Lecture on Industry Internship : A view on Indian Industries & Applications of Computers as a part of extension activity on 20-02-2023. The Resource person, Mr.J. Naga Malleswara Rao, former Professor, V R Siddhartha Engineering College, Vijayawada, had given valuable insights regarding the current internships available for the students. It was a very informative and enriching session and students were very much benefitted with this guest lecture.

3. Students will be able to create dialogues & paragraphs that capture the character's personalities and motivation

Science Day Celebrations

National Science Day is celebrated every year on February 28. The day marks the discovery of the Raman effect by renowned physicist CV Raman. The theme of National Science Day this year is 'Global Science for Global Wellbeing'. The theme indicates India's emerging global role and rising visibility in the international arena. We celebrated Science Day with great pomp and show this year. All the science departments of our college paid floral tributes to CV Raman. The Department of Physics conducted a national level online quiz on this occasion and received huge response from the students.

The Department of Chemistry exhibited science models out of which rain water harvesting and drip irrigation models were outstanding. The department of chemistry conducted an online National E-Quiz on chemistry on the occasion of National science day on 28-02-2023 about 237 responses were received from various colleges both the telugu states of AP & Telangana. All the science departments conducted online “Motivational Talk on the Role of Science and Technology in Today’s life” by inviting J. Girish Gupta, Research Engineer & technical manager at IRSDL. He spoke in depth about artificial intelligence, machine learning data science which forms the basis of all computer learning & its applications in everyday life such as financial services, fraud detection, retail purchase predictions and virtual customer assistance. He urged the students to pursue higher studies and motivated them to do research.
