PREFACE

V.S.R. Government Degree & P.G. College was established in 1984. This College has been established in order to cater to the educational needs of the rural students from the surrounding villages of Movva Mandal. The land of the college has been donated by the Local Philanthropists. The motto of the College is to focus on the objectives of education to the students from the rural communities, thereby imparting skills of employability to meet the job opportunities and to mould themselves as the responsible citizens of India. The College has been offering UG and PG Programmes.

The College is covered under 2f and 12 B of UGC Act 1956 and getting general development grants since 1992. At present the College is affiliated to Krishna University, Machilipatnam. The vision of the College is to contribute to the advancement of knowledge through teaching, research, publications and dissemination and to train students to acquire good communication skills and leadership qualities so as to mould them to be global citizens. The College has been offering relevant, need based courses from time to time. The College went for first accreditation in 2004 and was awarded ‘B’ Grade and Second accreditation in 2011 and was awarded ‘B’ Grade with 2.56 CGPA and third accreditation in 2017 and was awarded ‘A’ grade with 3.01 CGPA.

WORLD AIDS DAY

On the occasion of WORLD AIDS DAY on 1st December 2021, the Red Ribbon Club of our college organized an awareness seminar to make the younger generation aware about the causes, symptoms, tests and treatments for treating HIV infection. A rally was organised in this context. Red ribbons were pinned to all faculty members, staff and students. Faculty members highlighted the need to raise every voice and every action that impacts the global efforts to stop the HIV epidemic. At the end, students pledged to remain away from this disease and follow all the useful instruction.

WORLD AIDS DAY COMPITETIONS

On the occasion of WORLD AIDS DAY, **APSACS AND NACO** together organized a programme and the winners of the various competitions conducted were awarded prizes. Two of our students P. Vani from II BSc (BZC) and Madhavi from II BCom (CA) have secured third prize in Painting and Elocution respectively. MLA Vishnu garu and other dignitaries, VC of Siddhartha Medical college, Doctors, NGOs and Health Department Personnel participated in the event.

SIX DAYS TRAINING PROGRAMME ON SOFT SKILLS

A six days training programme on soft skills was organised by our college Jawahar Knowledge Centre and English Department in association with APITA & Nandi Foundation from 29th November 2021 to 4th December 2021. The Resource persons for this programme were Sri. B. Anjaneyulu and Sri. Y. Muralidhar from Nandi Foundation. Soft skills refer to both character traits and interpersonal skills that will influence how well a person can work or interact with others. The term soft skills cover a wide range of skills as diverse as teamwork, time management, empathy and delegation. These skills make it easier to form relationships with people, create trust and dependability, and lead teams. By developing strong leadership, delegation, teamwork, and communication abilities, we can run projects more smoothly, deliver results that please everyone and even

positively influence our personal life by improving how we interact with others. They help to build friendship groups and meet potential partners. Hence, Soft skills are useful both in our professional and personal lives.

The Programme was very fruitful, enriching and at the same time enlightening to the students. At the end of this training the students were able to overcome their stage fear, prepare a flaw less resume, express themselves clearly before a large audience, do teamwork without any kind of inhibition, inculcate leadership qualities, gain self-confidence, understand the need to respect others and their feelings, learn how to get ready for an interview, realize the importance of time and money.

WORLD SOIL DAY

World soil day is held annually on 5th December as a means to focus attention on the importance of healthy soil and to advocate for the sustainable management of soil resources. This year the World Soil Day celebrations was organised by Department of Biotechnology and Botany, on 6 December 2021, as a part of curriculum and extension activity. In this programme 35 students participated from B.Sc Biotechnology. Speaking on this occasion our vice principal Sri.B.SivaNageswarara Rao explained about the practices that are good to protect the soil from pollution. This programme is to establish the bond between soil, nature and the students. All the students actively participated to learn the objective of the day and also imbibe the practices to generate pollution free soil in future.

FRESHERS' DAY CELEBRATION

Our College hosted a spectacular Freshers Day for its first year students on 21st December, 2021. The event witnessed a wonderful array of talent unfolding when students participated spontaneously and with vigor. Freshers Day is a welcome party to newcomers and a gesture of extending the friendly atmosphere and to be motivating factor to the juniors. The aim of conducting this day is to make the juniors feel welcome and to interact with them. The new academic year brings happiness and joy with the arrival of the juniors. It is the day where seniors and juniors finally bond and unite to celebrate being part of the college.

Speaking on this occasion our Principal, Dr.S.Madhavi said that the newly joined students should make best use of their time and would have to focus on skill development apart from consolidating their knowledge in the core domains. She emphasized the importance of communication skills and a variety of skills in their professional career building. She also urged the students to develop innovative thinking and out of the box ideas making a departure from routine monotonous rote learning which serves to evaluate their memory instead of invigorating their other mental abilities and competencies. She advised the students to play a responsible role that contributes to the overall progress of the society.

Heads of various Departments, Faculty, non- teaching staff and all the students took part in the event. Freshers along with their seniors got a chance to showcase their talent in various cultural activities. The cultural programs presented by the students captivated the audience.
