REPORT ON THE STUDENT INDUCTION PROGRAMME

In accordance with the proceedings of the Commissioner of Collegiate Education issued on 2nd November 2022 regarding the conduction of Student Induction Programme (SIP), the IQAC committee and Academic Coordinator constituted a SIP committee and drafted a schedule for conducting SIP for the newly admitted first year students from 4th November 2022. As a part of this, the Department of English conducted student centric activities such as Self Introduction, A talk on hobbies and Cross word Puzzles on 5th November 2022. All the Students enthusiastically participated in these activities and gave their feedback at the end.

On 7th November 2022, as a part of SIP, the Department of Telugu, conducted Word Puzzles and Synonyms to test and enrich the vocabulary among the students. All the students actively participated in this programme and expressed their love towards their mother tongue.

As a part of SIP the Department of Mathematics and Physics jointly organized a programme on New Education Policy 2020: Salient Features on 10th October 2022 to all the First year students. They explained in detail features of that: The National Education Policy 2020 (NEP 2020), launched on 29 July 2020, outlines the vision of India's new education system. The focus of New Education Policy (NEP-2020) is on experiential, application-based learning and research based internship in the stream of Science, Technology, Engineering, Art & Design, and Mathematics (STEAM) is explained. The current 10+2 system to be replaced by a new 5+3+3+4 curricular structure corresponding to ages 3-8, 8-11, 11-14, and 14-18 years respectively. Teaching up to at least Grade 5 to be in mother tongue/ regional language. No language will be imposed on any student. By 2030, the minimum degree qualification for teaching will be a 4-year integrated B.Ed. degree. Local communities as well as research internships will improve students' employability. Ph.D. students and faculty members are encouraged to undertake high quality outcome-based research so as to produce Intellectual Property (Patents and Copyrights). . The students are encouraged for enrolling on the SWAYAM-NPTEL courses from where they can earn credits from renowned HEIs.. The policy envisages broad-based, multi-disciplinary, holistic Under Graduate Program with flexible curricula, creative combinations of subjects, integration of vocational education and multiple entries and exit points with appropriate certification. Page 3 of 8 Concept of Academic Bank of Credits to facilitate transfer of Credits is also explained. Finally the questions raised by students are addressed in detail. The students expressed their hitches in this renovation stage into new system.

The Department of Chemistry organized a Quiz competition to all the first year students as a part of SIP on 11 October 2022. Questions related to various topics like Environment Education, History, Economics, Political Science, Chemistry, Sports, Commerce were framed. Picture analysis was also included. All the students actively participated in the Quiz. Smt. K.R. Manjula, Lecturer in Chemistry, acted as the Quiz Master and answered the questions with details explanation to which the students were unable to answer. The feedback of the students was good. Peer Teaching Activity was conducted to First year students as a part of SIP on 14 October 2022. K. Vasavi of II BSc MECs gave an inspiring speech on the importance of the course MECs and its career opportunities in the field of Electronics. J. Amrutha and S. Akhil of II B.Com spoke about the best career options after B.Com. MBA, CA, CS, M.Com, Digital Marketing, CIB etc are the popular courses which provides high paying jobs and also helps them to become future entrepreneurs. P.Vani of III BSc BZC excellently explained about the advanced and industry relevant courses and career options in Chemistry and other allied subjects to pursue their dream job after the successful completion of their B.Sc. All the students

expressed their satisfaction after the programme and pledged to follow their seniors and peers in their journey towards excellence.

The Department of Commerce organized a JAM session as a part of SIP on 16th November 2022 to all the first students to increase their ability of spontaneous speech without any preparation or any notes.

On 19th November 2022, as a part of SIP, the college Jawahar Knowledge Centre conducted the following activities to all the first year students. The college JKC Coordinator Dr. J. Kalpana briefed the students about the course topics that are Analytical skills, Computer Skills and Communication and Soft skills that will be taught during the course. Students who have 75% attendance and who qualify themselves in the final examination will be issued a course completion certificate. A language activity named word scramble is conducted by dividing the students into groups. The students have to rearrange the scrambled letters to form a meaningful word. This game helps the students to build, test and enhance their vocabulary. Students enthusiastically participated in this activity.

As a part of SIP, the college Physical Science Department on 23 November 2022 organized a Programme on Anti Ragging. The chief guest Sri. G. Durga Prasad, Sub-Inspector of Police, Kuchipudi addressing the students said that ragging is a disturbing reality in the higher education system of our country. Despite the fact that over the years ragging has claimed hundreds of innocent lives and has ruined careers of thousands of bright students. He also enlightened the students on various punishments imposed on a student if he/her found guilty of ragging. The following are the punishments, namely; ⌘ Suspension from attending classes and academic privileges. ⌘ Withholding/ withdrawing scholarship/ fellowship and other benefits. ⌘ Debarring from appearing in any test/ examination or other evaluation process. ⌘ Withholding results etc.

On 30th November 2022 the college IQAC organized the valedictory function for 21 days SIP, Sri. B. Siva Nageswara Rao, Incharge Principal presided over the function, Sri. I. Srinivasa Rao, DWE, R&B, Machilipatnam and Sri. J. Kameswara Rao, DEE, R&B, Machilipatnam were the chief guests for this

programme. Students those who have submitted the feedback form received e-certificate of SIP.
